All sitting fees are due on the day of your session. If you must reschedule an appointment, kindly give us 24 hours notice by calling and/or leaving a message at: 208-777-1818. There is a session fee charge for no shows or cancelations if you do not give us 24 hours notice.

To reserve a Saturday for your portrait sitting, we charge a retainer sitting fee, in advance, to reserve the date and time of your session.

Ordering your custom photographs takes place on the day of your portrait sitting. A 75% retainer is due with your order. Your retainer gives authorization to Stevens Photography to immediately begin custom retouching and all photographic processes required to complete your art pieces.

Your balance is due when your art work is completed. Once payments are fulfilled, you may take your artwork home.

There is a \$100 fee for yearbook portraits ordered without a package. Once a package is ordered, the \$100 fee is applied to your package balance.

Frames orders come from a private vendor. Full payment is due when you order any frames.

Wedding Policies

Stevens Photography is your exclusive wedding photographer. Please ask friends and family to refrain from taking photographs until after we make the first exposures. We use available natural lighting, whenever possible, in a photojournalistic style. We use electronic flash in low light situations.

When retouching is included in your wedding package, bride and groom portraits receive standard facial retouching. We charge \$ 30 per hour for additional retouching of friends and family.

All wedding images and files remain the exclusive copyrighted property of Stevens Photography. Photographs and files shall not be scanned, duplicated or altered in any manner for any reason without written authorization of the copyright owner.

Stevens Photography retains the right to publish, display and advertise with these images. A licensing agreement will be included with your wedding packages to allow for reproduction of images at a local photography laboratory of your choice.

Retainers reserve a specific date for your wedding. Without a retainer, your wedding date is not reserved. Once a retainer is paid, anyone requesting your wedding date is referred to other photographers. Therefore, **if you postpone or cancel your wedding, the retainers are non-refundable.**

Retainers are 50% of your wedding package. The balance of your retainer is due **30 days to the date** of your wedding. If you book a date, which is less than 30 days from your wedding, a 100% retainer shall be paid to reserve your wedding date.

In the unforeseen and unlikely event Stevens Photography is unable to perform its duties due to any event or act outside their control, including but not limited to injury, illness, life altering circumstance, photography equipment failure, or photographer's error, Stevens Photography will only be responsible for the refund of retainers within 180 days.
